# 1958 Article Index

## *Articles published in PRODUCTS FINISHING during 1958, classified by subject*

**ALLOY PLATING**

New Process for Plating on Light Metals—James V. Sheridan ..... Nov., p. 46

**ALUMINUM PLATING**

New Process for Plating on Light Metals—James V. Sheridan ..... Nov., p. 46

**ANODIZING**

Titanium-Tipped Anodizing Work Racks Require No Stripping ..... May, p. 74
Anodizing Racks Tell Large Automatic: This Tank Next—
Robert A. Nyquist ..... Oct., p. 48

**BAKING**

Finishing Regina Small Home Appliances ..... Jan., p. 29
Epoxy Coatings: Performance and Application Data ..... Jan., p. 42
Finishing Gasoline Pumps: Conveyorized Electrostatic Spray
Boosts Production—L. D. McClanahan ..... Apr., p. 34
Compact System for Painting Metal Cabinets—George J. Hetz ..... May, p. 64
Comments on Infrared Energy for Paint Drying
and Baking—W. R. Van Ittersum ..... July, p. 72
Infrared Ups Production for Ford ..... Aug., p. 54
Properties and Uses of Catalytic Coatings—John F. Howe ..... Oct., p. 44
Multi-Pass Oven Improves Productivity,
Takes Little Space—A. G. Trivison ..... Oct., p. 66
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36
Metal Fabricator Improves Production with Electric Oven ..... Nov., p. 70
Improving Your Wrinkle Painting—
Harold D. Kaiser and Thomas G. O'Brien ..... Dec., p. 24

**BARREL FINISHING**

Possibilities of Barrel Finishing Processes—C. J. Glasrud ..... Apr., p. 40
A Better Finish for Compressor Valves ..... June, p. 52
Rifle Maker Scores Direct Hit on Costs ..... Aug., p. 62
Mass Production Precision Finishing of Miniature Parts ..... Oct., p. 74

**BLACKENING**

Molten Salt Finishing: New Heaters Improve Worker Comfort ..... Oct., p. 62

**BLASTING**

Abrasive Blast Produces Matte Finish on Mill Rolls ..... May, p. 76

**BRIGHT DIPPING**

Brighter Prospects for Brass and Copper ..... Jan., p. 54

Molten Salt Finishing: New Heaters Improve Worker Comfort ..... Oct., p. 62

**BLASTING**

Abrasive Blast Produces Matte Finish on Mill Rolls ..... May, p. 76

**BRIGHT DIPPING**

Brighter Prospects for Brass and Copper ..... Jan., p. 54

**BUFFING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26

**CADMIUM PLATING**
Nuts and Bolts: Plating to Prevent Seizure—W. B. Stephenson, Jr. ..... July, p. 38

**CERAMIC COATINGS**
Ceramics Find New Uses—Dr. Nelson F. Murhpy ..... May, p. 90

**CHROMIUM PLATING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Finishing Facilities for a Modern Railroad—
Gerard H. Poll, Jr., Associate Editor ..... Mar., p. 24
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
Cadillac Fights Corrosion—H. Mahlstedt ..... Sept., p. 44

**CLEANING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
Jewelry Maker Cuts Cleaning Time ..... Aug., p. 82
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36
Selecting Cleaning and Surface-Preparation Equipment—S. J. Barlett ..... Nov., p. 56

**COLOR MATCHING**
The Art of Color Matching—John C. Holle ..... Sept., p. 64

**CONTROL**
pH Control Solves a Problem ..... Feb., p. 58

**CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS**
A.E.S. Program—45th Annual Convention ..... May, p. 42
M.F.S.A. Program—Annual Convention ..... May, p. 60
N.A.M.F. Program—Annual Convention ..... May, p. 62
A Report on the 45th Annual Convention,
American Electroplaters' Society ..... June, p. 70
Finishing Industry Interviews: Part I ..... July, p. 30
Third National Coated Abrasive Machinery Show
in Review—Ezra A. Blount, Editor ..... July, p. 65
Finishing Industry Interviews: Part II ..... Aug., p. 30
Finishing Industry Interviews: Part III ..... Oct., p. 36
A.E.S. Convention Papers ..... Oct., p. 68
Editor's Report on 1958 Paint Convention ..... Nov., p. 58
New Paint Finishing Society Meets ..... Nov., p. 147
Finishing Industry Interviews: Part IV ..... Dec., p. 56
Coatings Versus Corrosion ..... Dec., p. 60
Vacuum Deposited Coatings Today ..... Dec., p. 70

**CONVEYORS**
Automatic Loader Speeds Plating of Auto Parts ..... Jan., p. 36
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Automatic Plating on a Chain Conveyor ..... Feb., p. 50
Compact System for Painting Metal Cabinets—George J. Hetz ..... May, p. 64
Broken Bottleneck: Three Conveyors Speed Parts Handling ..... Aug., p. 74

**COPPER PLATING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Finishing Facilities for a Modern Railroad—
Gerard H. Poll, Jr., Associate Editor ..... Mar., p. 24
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26

**CORROSION**
A New Theory to Explain Stress Corrosion Cracking of Stainless Steel .. July, p. 82
Coatings Versus Corrosion ..... Dec., p. 60

**DEBURRING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34

**DEGREASING**
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36
Plant-Wide Degreaser Solvent System ..... Dec., p. 52

**DRYING**
Comments on Infrared Energy for Paint Drying
and Baking—W. R. Van Ittersum ..... July, p. 72

**ELECTROSTATIC SPRAYING**
Finishing Regina Small Home Appliances ..... Jan., p. 29
Finishing Gasoline Pumps: Conveyorized Electrostatic Spray
Boosts Production—L. D. McClanahan ..... Apr., p. 34
A Fast Finish ..... July, p. 60
Painting Playground Equipment—Robert Feigenbaum ..... Oct., p. 56
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36

**ENAMEL AND LACQUER APPLICATION**
Finishing Regina Small Home Appliances ..... Jan., p. 29
Epoxy Coatings: Performance and Application Data ..... Jan., p. 42
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Airless Spray Painting: Machinery Manufacturer Cites Advantages ..... Feb., p. 44
Automatic Spray Painting at Goodyear ..... Feb., p. 52
Conveyorized Spray Painting: New System for
Finishing Office Furniture ..... Mar., p. 67
Epoxy Coating Speeds Camera Production ..... Apr., p. 37
Dip Painting: Mighty Magnets Transport Tools ..... Apr., p. 46
An Easy Way to Paint Complex Shapes ..... June, p. 40
A "Hi-Fi" Painting System ..... July, p. 52
A Textured Finish for IBM Machines ..... Aug., p. 70
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36
Improving Your Wrinkle Painting—
Harold D. Kaiser and Thomas G. O'Brien ..... Dec., p. 24

**FINISHING SYSTEMS**
Automatic Spray Painting at Goodyear ..... Feb., p. 52
Conveyorized Spray Painting: New System for
Finishing Office Furniture ..... Mar., p. 67
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
Finishing Gasoline Pumps: Conveyorized Electrostatic Spray
Boosts Production—L. D. McClanahan ..... Apr., p. 34
A "Hi-Fi" Painting System ..... July, p. 52
New System for Painting Fabricated Products ..... Aug., p. 56
Painting the Beechcraft ..... Aug., p. 65

Broken Bottleneck: Three Conveyors Speed Parts Handling ..... Aug., p. 74
Kaiser Installs Pilot Finishing Facilities ..... Aug., p. 76
Multi-Pass Oven Improves Productivity,
Takes Little Space—A. G. Trivison ..... Oct., p. 66
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36
Selecting Cleaning and Surface-Preparation Equipment—S. J. Barlett .... Nov., p. 56

**GOLD PLATING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34

**INDUSTRIAL RESEARCH**
Can Our Finishing Industry Meet Russia's Challenge?
—Dr. Joseph B. Kushner ..... Jan., p. 22
The Role of Oxygen in Iron-Enamel Adherence ..... Jan., p. 58
Finishing Research: A New Laboratory ..... Sept., p. 56
Vapor-Deposited Molybdenum ..... Nov., p. 76

**MASKING MATERIALS AND METHODS**
How to Plate Selectively with a Stencil Mask—Ralph A. Botosan ..... June, p. 44

**METAL ETCHING**
Special Pumps Successfully Handle Acids for Chem-Milling ..... Oct., p. 76

**METALLIC COATINGS**
Flame-Plated Valve Takes to the Air ..... Aug., p. 60
Vapor-Deposited Molybdenum ..... Nov., p. 76

**NICKEL PLATING**
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34
Non-Electrolytic Nickel Coatings ..... Mar., p. 62
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
Nuts and Bolts: Plating to Prevent Seizure—W. B. Stephenson, Jr. ..... July, p. 38

**ORGANIC COATINGS**
Epoxy Coatings: Performance and Application Data ..... Jan., p. 42
Epoxy Coating Speeds Camera Production ..... Apr., p. 37
How to Apply Plastisols by the Dip-Coat Method ..... May, p. 69
A Single-Coat Anti-Corrosive System ..... June, p. 38
Properties and Uses of Catalytic Coatings—John F. Howe ..... Oct., p. 45
A Review of Organic Coatings—Harold A. Pollay ..... Nov., p. 50
Editor's Report on 1958 Paint Convention ..... Nov., p. 58

**PAINTING FACILITIES**
Finishing Facilities for a Modern Railroad—
Gerard H. Poll, Jr., Associate Editor ..... Mar., p. 24
Dip Painting: Mighty Magnets Transport Tools ..... Apr., p. 46
An Easy Way To Paint Complex Shapes ..... June, p. 40
Ford's New Bumper Plating Line ..... July, p. 47
Multi-Pass Oven Improves Productivity,
Takes Little Space—A. G. Trivison ..... Oct., p. 66

**pH**
pH Control Solves a Problem ..... Feb., p. 58

**PHOSPHATIZING**
Epoxy Coatings: Performance and Application Data ..... Jan., p. 42
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
Finishing Gasoline Pumps: Conveyorized Electrostatic Spray
Boosts Production—L. D. McClanahan ..... Apr., p. 34
Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36

**PICKLING**
Brighter Prospects for Brass and Copper ..... Jan., p. 54
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
New Way to Descale Titanium ..... Oct., p. 42

**PLASTIC COATINGS**
How to Apply Plastisols by the Dip-Coat Method ..... May, p. 69
Plastic Coating Simplifies Insulating Procedure ..... Oct., p. 64

**PLATING**
Automatic Loader Speeds Plating of Auto Parts ..... Jan., p. 36
Addition Agents: What Will They Do? ..... Feb., p. 62
Electroplating: Who Needs It?—Dr. Joseph B. Kushner ..... Apr., p. 68
How to Plate Selectively with a Stencil Mask—Ralph A. Botosan ..... June, p. 44
Cadillac Fights Corrosion—H. Mahlstedt ..... Sept., p. 44
Vapor-Deposited Molybdenum ..... Nov., p. 76

**PLATING EQUIPMENT AND FACILITIES**
Automatic Plating on a Chain Conveyor ..... Feb., p. 50
pH Control Solves a Problem ..... Feb., p. 58
Titanium-Tipped Anodizing Work Racks Require No Stripping ..... May, p. 74
Assembled Plating Racks: Model Changes No Hurdle ..... July, p. 78
Finishing Research: A New Laboratory ..... Sept., p. 56
How to Make and Install an Air-Agitation System ..... Oct., p. 60
How to Engineer an Automatic Plating Installation—Fred G. Brune ..... Dec., p. 30

**PLATING RESEARCH**
Can Our Finishing Industry Meet Russia's Challenge?
—Dr. Joseph B. Kushner ..... Jan., p. 22
Nuts and Bolts: Plating to Prevent Seizure—W. B. Stephenson, Jr. ..... July, p. 38
Finishing Research: A New Laboratory ..... Sept., p. 56

**PLATING ROOM DESIGN**
How to Engineer an Automatic Plating Installation—Fred G. Brune ..... Dec., p. 30

**POLISHING**
Automobile Bumper Plating—Gerard H. Poll, Jr., Associate Editor ..... Apr., p. 26
Third National Coated Abrasive Machinery Show
in Review—Ezra A. Blount, Editor ..... July, p. 65
Contact Wheels: Types and Applications ..... Dec., p. 80

**PORCELAIN ENAMELING**
The Role of Oxygen in Iron-Enamel Adherence ..... Jan., p. 58
One Way to Get Additional Life from Abrasive Belts ..... Mar., p. 46
Porcelain Enameling Pots and Pans—
Gerard H. Poll, Jr., Associate Editor ..... June, p. 48
Recent Developments in Porcelain Enameling—Dr. Nelson F. Murphy ..... Sept., p. 84

**SAFETY**
Plant Safety: Gloves Play an Important Part ..... Mar., p. 66

**SILVER PLATING**
Finishing Facilities for a Modern Railroad—
Gerard H. Poll, Jr., Associate Editor ..... Mar., p. 24
Nuts and Bolts: Plating to Prevent Seizure—W. B. Stephenson, Jr. ..... July, p. 38

**SOLVENTS**
How Safe Is Your Safety Solvent?—Paul Grotts ..... July, p. 56

**SPRAY BOOTHS**
Finishing Facilities for a Modern Railroad—
Gerard H. Poll, Jr., Associate Editor ..... Mar., p. 24

**SPRAYING**
Epoxy Coatings: Performance and Application Data ..... Jan., p. 42
Plating and Paint Decorating Zinc Die Castings—
Ezra A. Blount, Editor ..... Feb., p. 34

Airless Spray Painting: Machinery Manufacturer Cites Advantages ..... Feb., p. 44
Automatic Spray Painting at Goodyear ..... Feb., p. 52
Finishing Facilities for a Modern Railroad—
Gerard H. Poll, Jr., Associate Editor ..... Mar., p. 24
How to Check Spray Guns for Efficiency ..... Mar., p. 44
Conveyorized Spray Painting: New System for
Finishing Office Furniture ..... Mar., p. 67
Compact System for Painting Metal Cabinets—George J. Hetz ..... May, p. 64
Properties and Uses of Catalytic Coatings—John F. Howe ..... Oct., p. 45
Improving Your Wrinkle Painting—
Harold D. Kaiser and Thomas G. O'Brien ..... Dec., p. 24

**SUPERVISION**

That Big Step From Supervisor to Executive—Alfred M. Cooper ..... Apr., p. 50

**SURFACE CONVERSION COATINGS**

Chromate Films on Zinc ..... Mar., p. 60
How to Produce High-Quality Zinc Chromate Coatings—Joseph Stella ..... June, p.32

**TESTING**

Salt Spray Corrosion Tests ..... Mar., p. 56
Testing Finishes for the Future ..... Dec., p. 40

**TITANIUM**

Titanium-Tipped Anodizing Work Racks Require No Stripping ..... May, p. 74

**TRAINING COURSES**

Can Our Finishing Industry Meet Russia's Challenge?
—Dr. Joseph B. Kushner ..... Jan., p. 22
Electrochemistry and the Plater—Fred G. Brune, Part III ..... Mar., p. 36
Electrochemistry and the Plater—Fred G. Brune, Part IV ..... June, p. 58
Electrochemistry and the Plater—Fred G. Brune, Part V ..... Sept., p. 50
Training Courses in Finishing ..... Sept., p. 90

**VACUUM METALLIZING**

Vacuum Deposited Coatings Today ..... Dec., p. 70

**WASTE DISPOSAL**

Planning and Operating an Industrial Waste
Disposal Plant—G. J. O'Kane ..... Aug., p. 38

**WEATHER TESTING**

Testing Finishes for the Future ..... Dec., p. 40

**ZINC PLATING**

Drapery Hardware Finished by Plating and Painting—
Ezra A. Blount, Editor ..... Nov., p. 36
New Process for Plating on Light Metals—James V. Sheridan ..... Nov., p. 46

# PRODUCT LITERATURE

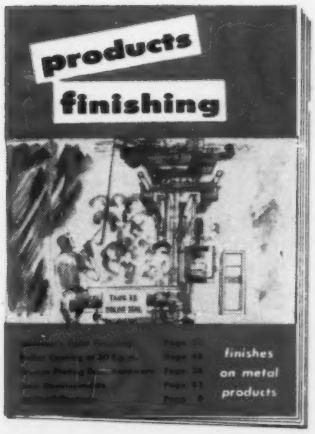
**40. Clear Coating**
Information on Agateen No. 13C, a clear finish said to be especially useful in nameplate applications. Agate Lacquer Manufacturing Co., Inc., 11-13 43rd Rd., Long Island City, N. Y.

**41. Plating Brighteners**
Information on Isobrite plating brighteners for cadmium, copper, zinc, white brass. Allied Research Products, Inc., 4004-06 E. Monument St., Baltimore 5, Maryland.

**42. Barrel Finishing Equipment, Supplies**
A 48-page catalog of barrel finishing equipment and supplies describes the Supersheen method of barrel finishing, its advantages, typical applications. Includes useful information, specific data on time cycles, compounds, speed of rotation, media, water level, load height. Almco, Queen Products, Inc., 812 Marshall St., Albert Lea, Minn.

**43. Guide to Chemical Treatments**
An eight-page brochure describes various chemical conversion coatings for steel, aluminum, galvanized iron, zinc and cadmium plated surfaces; for corrosion resistance, paint bonding, drawing and forming, protection of friction surfaces. Includes list of government specifications. Amchem Products, Inc., Ambler 14, Pennsylvania.

# PRODUCTS FINISHING
# Article Index, 1959



## *Articles published in PRODUCTS FINISHING during 1959, classified by subject*

### Aluminum

Four Steps to Successful Anodizing—J. B. Kerr ..... Jan., p. 38
Current Practice in Chemical Milling—Dr. Neil W. Berst ..... Feb., p. 31
How to Polish and Buff Aluminum—Lamont J. Benson, H. V. Seals, J. B. Kerr, C. L. Bissonette ..... Mar., p. 54
New Method for Bonding Aluminum—Nelson F. Murphy ..... Apr., p. 76
Exterior Automotive Trim: Chromium Plate, Stainless or Aluminum?—Myron B. Diggin, R. V. Vanden Berg, and V. J. Snodgrass ..... July, p. 30

### Anodizing

Four Steps to Successful Anodizing—J. B. Kerr ..... Jan., p. 38
Specialized Finishes and Finishing Processes for Aircraft Instruments—Ezra A. Blount, Editor ..... Mar., p. 34
Finishing Procedures at Guide Lamp—Gerard H. Poll, Jr. ..... June, p. 130
Exterior Automotive Trim: Chromium Plate, Stainless or Aluminum?—Myron B. Diggin, R. V. Vanden Berg, and V. J. Snodgrass ..... July, p. 30

### Baking

Automatic Finishing System: Careful Planning Pays—Charles E. Saunders . Jan., p. 28
Roller Coating Line Finishes Display Seals for Steel Strapping ..... Jan., p. 48
Finishing Miniature Toys: How to Paint 25 Million a Year ..... Jan., p. 60
Infrared Oven Speeds Production for Sign Company ..... Jan., p. 68
Painting 32 Wheels Per Minute—Ezra A. Blount, Editor ..... Feb., p. 24
Metal Decorating: Fast Protection, Beauty—C. I. Hug ..... Mar., p. 68
Infrared Oven Bakes Varied Parts ..... Apr., p. 54
Finishing Chevrolet Hoods and Fenders—Ezra A. Blount, Editor ..... May, p. 24
Finishing Procedures at Guide Lamp—Gerard H. Poll, Jr., Associate Editor ..... June, p. 130
Conveyorized Finishing of Office Furniture—Ed Fritz ..... Sept., p. 28
Chrysler's New Flow Coat Installation ..... Sept., p. 55
Production Job Painting: Conveyors, Electrostatic Spray Answer Needs—Peter T. Spera ..... Oct., p. 40
Better Finish for Lift Trucks ..... Oct., p. 68
G. E. Installs Giant Flow Coating System—John A. Kinn ..... Nov., p. 34
Large Oven Bakes Stacks of Painted Signs ..... Nov., p. 40

### Barrel Finishing

Barrel Finishing Stainless Steel Hex Nuts—Charles G. Tuvek ..... Feb., p. 50
Specialized Finishes and Finishing Processes for Aircraft Instruments—Ezra A. Blount, Editor ..... Mar., p. 34
How to Tumble-Finish Tungsten Carbide Parts—Charles G. Tuvek ..... Aug., p. 64
New Machine Smooths Contoured Parts—John F. Harper ..... Oct., p. 24
Worn Gears: Barrel Finishing Solves a Problem ..... Nov., p. 60
Barrel Finishing: Materials and Techniques for Precision Results—Donald Mosher, Frank Soper, Thomas Loll ..... Dec., p. 60

### Blast Cleaning

How To Clean Electrotypes Before Chromium Plating—T. E. Wiemeyer .... Apr., p. 52
How Wet Blasting Helps a Hard Chrome Plater—Savin Zavarella ..... Aug., p. 50

### Bright Dipping

Four Steps to Successful Anodizing—J. B. Kerr ..... Jan., p. 38

### Bronze Plating

Bronze Plating Forms Attractive Finish for Cylindrical Locks—T. P. McFarlane ..... Jan., p. 56

## Buffing

How to Polish and Buff Aluminum—Lamont J. Benson, H. V. Seals, J. B. Kerr, C. L. Bissonette ..... Mar., p. 54
Guide Lamp's New Approach to Plating Automotive Die Castings—Gerard H. Poll, Jr. ..... June, p. 138
Exterior Automotive Trim: Chromium Plate, Stainless or Aluminum?—Myron B. Diggin, R. V. Vanden Berg, and V. J. Snodgrass ..... July, p. 30
Replating Battered Bumpers—Gerard H. Poll, Jr., Associate Editor ..... Sept., p. 40
Finishing Zippo Lighters—Ezra A. Blount, Editor ..... Dec., p. 24

## Cadmium Plating

Adolph Plating: A Mechanized Job Shop—Ezra A. Blount, Editor ..... Nov., p. 24

## Chemical Milling

Current Practice in Chemical Milling—Dr. Neil W. Berst ..... Feb., p. 31

## Chromium Plating

How to Clean Electrotypes Before Chromium Plating—T. E. Wiemeyer ..... Apr., p. 52
An Effective Protective Coating for Molybdenum ..... May, p. 60
Finishing Procedures at Guide Lamp—Gerard H. Poll, Jr. ..... June, p. 130
Guide Lamp's New Approach to Plating Automotive Die Castings—Gerard H. Poll, Jr. ..... June, p. 138
Duplex Chromium: Thicker, More Corrosion-Resistant Chromium Plate—Dr. Edgar J. Seyb, Jr. ..... July, p. 64
Replating Battered Bumpers—Gerard H. Poll, Jr. ..... Sept., p. 40
Finishing Zippo Lighters—Ezra A. Blount, Editor ..... Dec., p. 24

## Cleaning

Four Steps to Successful Anodizing—J. B. Kerr ..... Jan., p. 38
Roller Coating Line Finishes Display Seals for Steel Strapping ..... Jan., p. 48
Bronze Plating Forms Attractive Finish for Cylindrical Locks—T. P. McFarlane ..... Jan., p. 56
Painting 32 Wheels Per Minute—Ezra A. Blount, Editor ..... Feb., p. 24
Finishing Chevrolet Hoods and Fenders—Ezra A. Blount, Editor ..... May, p. 24
Guide Lamp's New Approach to Plating Automotive Die Castings—Gerard H. Poll, Jr. ..... June, p. 138
Developments in Finishing Zirconium—Dr. Nelson F. Murphy ..... June, p. 166
Conveyorized Finishing of Office Furniture—Ed Fritz ..... Sept., p. 28
Replating Battered Bumpers—Gerard H. Poll, Jr. ..... Sept., p. 40
Chrysler's New Flow Coat Installation ..... Sept., p. 55
G. E. Installs Giant Flow Coating System—John A. Kinn ..... Nov., p. 34
Finishing Zippo Lighters—Ezra A. Blount, Editor ..... Dec., p. 24

## Control

Quality Control in Paint Finishing—Harold Shapiro ..... May, p. 34

## Conventions, Expositions, Technical Society Meetings

A. E. S. Convention Highlights ..... May, p. 42
Program for A. E. S. Golden Jubilee Convention ..... June, p. 36
Metal Finishing Suppliers' Association Program ..... June, p. 60
National Association of Metal Finishers' Program ..... June, p. 62
Fifth Industrial Finishing Exposition ..... June, p. 69
Exterior Automotive Trim: Chromium Plate, Stainless or Aluminum?—Myron B. Diggin, R. V. Vanden Berg, and V. J. Snodgrass ..... July, p. 30
Notes and Quotes from the A. E. S. Convention and Industrial Finishing Exposition ..... July, p. 82
Finishing-Industry Interviews ..... Aug., p. 32
Finishing-Industry Interviews ..... Dec., p. 82
AZI Holds Symposium on Plating Die Castings ..... Dec., p. 162

## Copper Plating

Guide Lamp's New Approach to Plating Automotive Die Castings—Gerard H. Poll, Jr. ..... June, p. 138
Replating Battered Bumpers—Gerard H. Poll, Jr. ..... Sept., p. 40
Finishing is Part of Production at Saginaw Steering Gear—Ezra A. Blount, Editor ..... Oct., p. 30

## Corrosion

Rust Ratings: Comparative Corrosion in 523 U. S. Cities ..... Jan., p. 66
Automotive Trim: Performance and Testing—Harold A. Kahler ..... Apr., p. 22
Duplex Chromium: Thicker, More Corrosion-Resistant Chromium Plate—Dr. Edgar J. Seyb, Jr. ..... July, p. 64
Cathodic Protection of Steel in Salt Water ..... Sept., p. 76

## Deburring

Reduce Your Tumbling Time—Charles G. Tuvek ..... Apr., p. 30
New Machine Smooths Contoured Parts—John F. Harper ..... Oct., p. 24

## Degreasing

Specialized Finishes and Finishing Processes for Aircraft Instruments—Ezra A. Blount, Editor ..... Mar., p. 34
Finishing is Part of Production at Saginaw Steering Gear—Ezra A. Blount, Editor ..... Oct., p. 30
Finishing Zippo Lighters—Ezra A. Blount, Editor ..... Dec., p. 24

## Electropolishing

Specialized Finishes and Finishing Processes for Aircraft Instruments—Ezra A. Blount, Editor ..... Mar., p. 34
Developments in Finishing Zirconium—Dr. Nelson F. Murphy ..... June, p. 166
Smoother Finishes for X-Ray Components ..... Aug., p. 31

## Electrostatic Spraying

Finishing Miniature Toys: How to Paint 25 Million a Year ..... Jan., p. 60
Painting 32 Wheels Per Minute—Ezra A. Blount, Editor ..... Feb., p. 24
Speedier Painting at National Grille ..... July, p. 60
Conveyorized Finishing of Office Furniture—Ed Fritz ..... Sept., p. 28
Production Job Painting: Conveyors, Electrostatic Spray Answer Needs—Peter T. Spera ..... Oct., p. 40
Electrostatic Hand Gun Proves Itself in Painting Boat Trailers ..... Nov., p. 62

## Enamel and Lacquer Application

Automatic Finishing System: Careful Planning Pays—Charles E. Saunders ..... Jan., p. 28
Roller Coating Line Finishes Display Seals for Steel Strapping ..... Jan., p. 48
Finishing Miniature Toys: How to Paint 25 Million a Year ..... Jan., p. 60
Painting 32 Wheels Per Minute—Ezra A. Blount, Editor ..... Feb., p. 24
Specializes Finishes and Finishing Processes for Aircraft Instruments—Ezra A. Blount, Editor ..... Mar., p. 34
Metal Decorating: Fast Protection, Beauty—C. I. Hug ..... Mar., p. 68
Barrel Enameling—W. S. Field ..... Apr., p. 40
Finishing Chevrolet Hoods and Fenders—Ezra A. Blount, Editor ..... May, p. 24
Finishing Procedures at Guide Lamp—Gerard H. Poll, Jr., Associate Editor ..... June, p. 130
Ford's Experiences with Water-Borne Paints—Russel D. Hamilton ..... Aug., p. 24
Hybrid Painting Machine Flow Coats, Sprays ..... Aug., p. 40
Chrysler's New Flow Coat Installation ..... Sept., p. 55
Finishing is Part of Production at Saginaw Steering Gear—Ezra A. Blount, Editor ..... Oct., p. 30
Better Finish for Lift Trucks ..... Oct., p. 68
Water-Dip Lacquer Used on Lamp Shades to Produce "Soft Light" Effect ..... Oct., p. 74
G. E. Installs Giant Flow Coating System—John A. Kinn ..... Nov., p. 34
Large Oven Bakes Stacks of Painted Signs ..... Nov., p. 40
Take Another Look at Airless Spray—Don P. Volino ..... Nov., p. 54
Electrostatic Hand Gun Proves Itself in Painting Boat Trailers ..... Nov., p. 62

## Finishing Systems

Automatic Finishing System: Careful Planning Pays—Charles E. Saunders . . Jan., p. 28
Finishing Miniature Toys: How to Paint 25 Million a Year . . . . . Jan., p. 60
Painting 32 Wheels Per Minute—Ezra A. Blount, Editor . . . . . Feb., p. 24
Short of Space? Put the Finishing System on the Roof! . . . . . Feb., p. 54
Finishing Chevrolet Hoods and Fenders—Ezra A. Blount, Editor . . . . . May, p. 24
Finishing Procedures at Guide Lamp—Gerard H. Poll, Jr., Associate Editor . . . . . June, p. 130
Silicones in Industrial Finishes—Robert C. Hedlund . . . . . June, p. 146
Ford's Experiences with Water-Borne Paints—Russel D. Hamilton . . . . . Aug., p. 24
Hybrid Painting Machine Flow Coats, Sprays . . . . . Aug., p. 40
Conveyorized Finishing of Office Furniture—Ed Fritz . . . . . Sept., p. 28
Chrysler's New Flow Coat Installation . . . . . Sept., p. 55
Which Finish for That Rivet? . . . . . Oct., p. 56
Finishing Facilities in New Westinghouse Plant . . . . . Oct., p. 62
G. E. Installs Giant Flow Coating System—John A. Kinn . . . . . Nov., p. 34
Chemical Deburring Solves Problem for A. C. Spark Plug—Gerard H. Poll, Jr., Associate Editor . . . . . Nov., p. 44

## Hot Spray

Take Another Look at Airless Spray—Don P. Volino . . . . . Nov., p. 54

## Industrial Research

Automotive Trim: Performance and Testing—Harold A. Kahler . . . . . Apr., p. 22
New Method for Bonding Aluminum—Dr. Nelson F. Murphy . . . . . Apr., p. 76
New Adhesive—Dr. Nelson F. Murphy . . . . . Apr., p. 76
Surface Treatment of Titanium—Dr. Nelson F. Murphy . . . . . Dec., p. 88

## Magnesium

Current Practice in Chemical Milling—Dr. Neil W. Berst . . . . . Feb., p. 31
Factors in Successful Plating on Magnesium—Joshua P. Levy . . . . . Oct., p. 45

## Masking Materials and Methods

Simple Stop-Off . . . . . Jan., p. 70

## Nickel Plating

An Effective Protective Coating for Molybdenum . . . . . May, p. 60
Guide Lamp's New Approach to Plating Automotive Die Castings—Gerard H. Poll, Jr. . . . . June, p. 138
Replating Battered Bumpers—Gerard H. Poll, Jr., Associate Editor . . . . . Sept., p. 40
Finishing Zippo Lighters—Ezra A. Blount, Editor . . . . . Dec., p. 24

## Organic Coatings

Math for Painters—Richard R. Boutall . . . . . Feb., p. 36
Why Engineers Chose Black Enamel for 3600-m.p.h. Space Ship . . . . . Feb., p. 50
Water-Dispersed Paints for Product Finishing—M. C. Carpenter . . . . . Mar., p. 28
Silicones in Industrial Finishes—Robert C. Hedlund . . . . . June, p. 146
Glossy Topcoats from Water Paints—Robert A. Boller . . . . . July, p. 24
Ford's Experiences with Water-Borne Paints—Russel D. Hamilton . . . . . Aug., p. 24
Finishing-Industry Interviews . . . . . Aug., p. 32
Paint for Hot Spots . . . . . Aug., p. 52
How Sikorsky Prevents Galvanic Action on Magnesium Parts . . . . . Nov., p. 72
Those Versatile Vinyls—Gerard H. Poll, Jr., Associate Editor . . . . . Dec., p. 36

## Painting Facilities

Metal Decorating: Fast Protection, Beauty—C. I. Hug . . . . . Mar., p. 68
Barrel Enameling—W. S. Field . . . . . Apr., p. 40
Ford's Experiences with Water-Borne Paints—Russel D. Hamilton . . . . . Aug., p. 24
Finishing is Part of Production at Saginaw Steering Gear—Ezra A. Blount, Editor . . . . . Oct., p. 30
Better Finish for Lift Trucks . . . . . Oct., p. 68

## Phosphatizing

Automatic Finishing System: Careful Planning Pays—Charles E. Saunders . Jan., p. 28
Painting 32 Wheels Per Minute—Ezra A. Blount, Editor . . . . . Feb., p. 24
Finishing Chevrolet Hoods and Fenders—Ezra A. Blount, Editor . . . . . May, p. 24
Flat Polishing Specialists—Ezra A. Blount, Editor . . . . . May, p. 50
Finishing Procedures at Guide Lamp—
Gerard H. Poll, Jr., Associate Editor . . . . . June, p. 130
Hybrid Painting Machine Flow Coats, Sprays . . . . . Aug., p. 40
Conveyorized Finishing of Office Furniture—Ed Fritz . . . . . Sept., p. 28
Chrysler's New Flow Coat Installation . . . . . Sept., p. 55
G. E. Installs Giant Flow Coating System—John A. Kinn . . . . . Nov., p. 34

## Pickling

Developments in Finishing Zirconium—Dr. Nelson F. Murphy . . . . . June, p. 166

## Plastic Coatings

Simple Stop-Off . . . . . Jan., p. 70
Plastisol-Coated Baskets Protect Precision Parts . . . . . Oct., p. 72
Those Versatile Vinyls—Gerard H. Poll, Jr., Associate Editor . . . . . Dec., p. 36

## Plating

Bronze Plating Forms Attractive Finish for Cylindrical
Locks—T. P. McFarlane . . . . . Jan., p. 56
A Missile-Maker's Titanium Plating Process—C. W. Handova . . . . . Feb., p. 40
Studies of Electroless Plating . . . . . Feb., p. 64
Specialized Finishes and Finishing Processes for Aircraft
Instruments—Ezra A. Blount, Editor . . . . . Mar., p. 34
Exterior Automotive Trim: Chromium Plate, Stainless or Aluminum?—
Myron B. Diggin, R. V. Vanden Berg, and V. J. Snodgrass . . . . . July, p. 30
Finishing-Industry Interviews . . . . . Aug., p. 32
The Japanese Plating Industry Today . . . . . Aug., p. 54
Electroplating on Titanium . . . . . Aug., p. 68
Factors in Successful Plating on Magnesium—Joshua P. Levy . . . . . Oct., p. 45
Adolph Plating: A Mechanized Job Shop—Ezra A. Blount, Editor . . . . . Nov., p. 24

## Plating Equipment and Facilities

Van der Horst Evaluates Titanium Tubing for Heating
and Cooling Chrome Solutions . . . . . Feb., p. 59
Specialized Finishes and Finishing Processes for Aircraft
Instruments—Ezra A. Blount, Editor . . . . . Mar., p. 34
The Japanese Plating Industry Today . . . . . Aug., p. 54
Plastic Pipes for National Lock's New Plating Department . . . . . Sept., p. 38
Replating Battered Bumpers—Gerard H. Poll, Jr., Associate Editor . . . . . Sept., p. 40
Finishing Facilities in New Westinghouse Plant . . . . . Oct., p. 62
Adolph Plating: A Mechanized Job Shop—Ezra A. Blount, Editor . . . . . Nov., p. 24
New Type of Heat Transfer Unit Cuts Heat-Up Time . . . . . Nov., p. 68
Finishing Zippo Lighters—Ezra A. Blount, Editor . . . . . Dec., p. 24
Coolers and Heaters for Anodizing—
R. S. Rowland, Alan Korest, J. W. Peterson . . . . . Dec., p. 72

## Plating Research

Studies of Electroless Plating . . . . . Feb., p. 64
An Effective Protective Coating for Molybdenum . . . . . May, p. 60
Duplex Chromium: Thicker, More Corrosion-Resistant
Chromium Plate—Dr. Edgar J. Seyb, Jr. . . . . July, p. 64
Electroplating on Titanium . . . . . Aug., p. 68
Electroplating on Zirconium—Dr. Nelson F. Murphy . . . . . Oct., p. 76

## Plating Solution Maintenance

Modern Activated Carbon Practice—W. A. Helbig . . . . . Sept., p. 52

## Plating Solution Recovery

Treatment of Plating Wastes by Ion Exchange—
R. F. Heidorn and H. W. Keller . . . . . Mar., p. 72

## Polishing

How to Polish and Buff Aluminum—
Lamont J. Benson, H. V. Seals, J. B. Kerr, C. L. Bissonette ..... Mar., p. 54
Reduce Your Tumbling Time—Charles G. Tuvek ..... Apr., p. 30
Finishing Chevrolet Hoods and Fenders—Ezra A. Blount, Editor ..... May, p. 24
Flat Polishing Specialists—Ezra A. Blount, Editor ..... May, p. 50
Guide Lamp's New Approach to Plating Automotive
Die Castings—Gerard H. Poll, Jr. ..... June, p. 138
Replating Battered Bumpers—Gerard H. Poll, Jr. ..... Sept., p. 40
New Machine Smooths Contoured Parts—John F. Harper ..... Oct., p. 24
Sheet Beryllium Successfully Polished with Abrasive Belts ..... Nov., p. 68
Finishing Zippo Lighters—Ezra A. Blount, Editor ..... Dec., p. 24

## Specifications

Which Finish for That Rivet? ..... Oct., p. 56

## Stainless Steel

Exterior Automotive Trim: Chromium Plate, Stainless or Aluminum?—
Myron B. Diggin, R. V. Vanden Berg, and V. J. Snodgrass ..... July, p. 30

## Supervision

The Supervisor and His Boss—Alfred M. Cooper ..... Apr., p. 60

## Surface Conversion Coatings

Chemical Deburring Solves Problem for A. C. Spark Plug—
Gerard H. Poll, Jr., Associate Editor ..... Nov., p. 44

## Testing

Test for Differentiating Stainless Steels ..... Feb., p. 39
Automotive Trim: Performance and Testing—Harold A. Kahler ..... Apr., p. 22
Quality Control in Paint Finishing—Harold Shapiro ..... May, p. 34
Duplex Chromium: Thicker, More Corrosion-Resistant
Chromium Plate—Dr. Edgar J. Seyb, Jr. ..... July, p. 64
Finishing-Industry Interviews ..... Aug., p. 32

## Titanium

A Missile-Maker's Titanium Plating Process—C. W. Handova ..... Feb., p. 40
Electroplating on Titanium ..... Aug., p. 68
Surface Treatment of Titanium—Dr. Nelson F. Murphy ..... Dec., p. 88

## Training Courses

Training Courses in Finishing ..... Sept., p. 72

## Ultrasonic Cleaning

Finishing is Part of Production at Saginaw Steering Gear—
Ezra A. Blount, Editor ..... Oct., p. 30

## Vacuum Metallizing

Cold Traps Lick Humidity Problems for Vacuum Metallizer ..... Jan., p. 68
Finishing Procedures at Guide Lamp—
Gerard H. Poll, Jr., Associate Editor ..... June, p. 130
A Vacuum-Deposited Coating that Withstands Exterior Exposure ..... June, p. 162
Jop Shop Specializes in Vacuum Metallizing ..... Sept., p. 62

## Waste Disposal

Treatment of Plating Wastes by Ion Exchange—
R. F. Heidron and H. W. Keller ..... Mar., p. 72
Finishing Zippo Lighters—Ezra A. Blount, Editor ..... Dec., p. 24

## Water Treatment

Washing a Space Ship? Use Deionized Water ..... Jan., p. 65

## Zinc Plating

Adolph Plating: A Mechanized Job Shop—Ezra A. Blount, Editor ..... Nov., p. 24

## Zirconium

Developments in Finishing Zirconium—Dr. Nelson F. Murphy ..... June, p. 166
Electroplating on Zirconium—Dr. Nelson F. Murphy ..... Oct., p. 76
